**Don't have a website? I can help!**

I can create a "subdomain" site for you under the VillageOfManito.com website. Your web address would be www.VillageOfManito.com/YourBusinessName. This will be one (1) page completely dedicated to your business/organization. It will have its own unique look, graphics and top banner, not the same as the other pages. This is a "postcard" type site and will include all necessary information, photos, and graphics necessary to properly identify your business.

**Looking for more than that? I can help there, too!**

I can create a complete website from beginning to end for you. Contact me and I will give you a quote.

**Mail completed application and check/Money Order to:**
